5th International Congress of Mentalization Based Treatment

Mentalizing beyond clinical disorders: Resolving the puzzle

November 21st & 22nd 2019
Philharmonie, Haarlem
The Netherlands
MBT Netherlands is proud to host the 5th International Congress of MBT. The previous 4 international conferences have been a great success. The focus of this conference will be on broadening your knowledge on mentalizing in a range of clinical disorders and on providing an overview of the latest research and developments in MBT.

Top international MBT Experts and clinicians will be present and are very pleased to share these developments with you.

**Plenary sessions** will be presented by Anthony Bateman, Peter Fonagy, Patrick Luyten, Eia Asen, Dickon Bevington, Sebastian Simonsen, Sebastian Euler, Martin Debbané, Sune Bo Hansen, Nick Midgley, Carla Sharp and Maaike Smits.

The expert at work sessions (clinical workshops) will be presented by Saskia Knapen, Carla Sharp, Anthony Bateman, Marianne Verfaille, Sheila Redfern, Lidewij Gerits, Patrick Luyten, Nicole Muller and Norka Malberg.

**Poster presentation**
You are invited to present your research findings and ideas in a poster presentation. The poster session is scheduled for Thursday November 21st during the reception. To reserve your spot for the poster session, please submit your abstract by email (info@mbtnederland.nl) before August 31st.

**Experts at work sessions**
Participants can choose 2 ‘Expert at work’ sessions, one from Group A and one from Group B.
More information about the workshops can be found at mbtnederland.nl/mbt-congres.

**Expert at work sessions Group A**
- **Saskia Knapen**
  Towards mentalizing systems: An introduction to Adaptive Mentalization-Based Integrative Treatment (AMBIT)
